

SEPT/OCT NEWS

From the Director

CLASS PLACEMENT

Please keep in mind, each student progresses at a different rate. My faculty and I have many years experience evaluating children, and based on that evaluation, place your child in a class that is the most beneficial for him/her. Please do not ask us to place your child in a class just because a former classmate has moved in it. It is important to us that your child receives the best dance education possible, in a positive, enjoyable atmosphere. Thank you for understanding. Please speak to me directly if you have any questions.

Sincerely, Miss Sharon
